## TO WHOM IT MAY CONCERN

We have been using Access to Export Ltd. since 2000. Throughout the last sixteen years, Chris and the team have consistently delivered a thoroughly professional, comprehensive and timely service. This has been crucial to our international trade where we rely on accurate and compliant documentation, particularly with our Letters of Credit together with a customer focus when following up directly with our clients and contacts. They are easy to work with, helpful and efficient. We would certainly recommend their services to other businesses.

Yours faithfully,

James Bridges
